Which countries support peacekeeping capacity building?

From 2007 to present, Kazakhstan, the Kyrgyz Republic, and Tajikistan have received \$16.2 million to support peacekeeping capacity building via the Global Peace Operations Initiative (GPOI). At present, only Kazakhstan is an active GPOI partner, having deployed an infantry company with India to Lebanon (UNIFIL).

Do Central Asian states support stabilization efforts in Afghanistan?

Central Asian states support stabilization efforts in Afghanistan and are key contributors to future peace and prosperity in Afghanistan and the region. The United States has \$79 million in open government-to-government sales cases with the Central Asian states under the Foreign Military Sales (FMS) system.

What are Central Asia's 'conventional weapons destruction priorities'?

Conventional Weapons Destruction priorities for Central Asia are to prevent the illicit transfer of small arms, light weapons, and conventional ammunition; mitigate and prevent unplanned explosions at munitions sites; and clear legacy landmine contamination, unexploded ordnance, abandoned ordnance, and other explosive remnants of war.

The first meeting between the six states took place on September 26, 2015, during the seventieth session of the United Nations General Assembly where then-U.S. Secretary of State John Kerry met with his foreign minister counterparts from the five states to establish a new multilateral dialogue platform. Following the meeting at the U.N., from October to November, Kerry ...
