We carry racks and enclosures from a number of manufacturers such as Simpliphi, Outback, and Midnite Solar. Shop our selection to find the one that right for your power system. Pay over time with Affirm.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

What are the best solar battery boxes and enclosures?

Unbound Solar offers durable solar battery boxes and enclosures that are ideal for off-grid or grid-tie with battery backup systems. Browse our selection today. Our Solar Battery Guide will help you size your battery bank properly and keep things running smoothly by ensuring a well-designed system that protects your batteries.

What is a lithium-ion battery storage cabinet?

DENIOS presents its Energy Storage Cabinet specifically crafted for Lithium-Ion batteries, ensuring secure containment and charging. These meticulously designed lithium-ion battery storage containers guarantee comprehensive safeguarding, including 90-minute fire resistance against external sources.
