---

Trinasolar, a global leader in smart PV and energy storage, has supplied its high-performance solar modules for a 6MW renewable energy park for an Australian almond ...

Primergy Solar LLC announced today that it has signed a long-term power purchase agreement for the full capacity of its 400 MWac and 1.6 GWh battery energy storage Purple Sage Energy ...

Increasing storage allows California's grid to store energy from clean energy sources like solar during the day and use it during peak ...

4MW 5MW 6MW Container Lithium Battery System Utility Energy Storage Container This scheme is applicable to the distribution system composed of photovoltaic, energy storage, power load ...

Energy storage is essential to a resilient grid and clean energy system. Learn about the types of energy storage, available incentives, and more.

This blog post will explain the terminology around solar-plus-storage, how many solar-plus-storage systems are in the country, and ...

4MW 5MW 6MW Container Lithium Battery System Utility Energy Storage Container This scheme is applicable to the distribution system composed ...

Renewable power plants owner and operator PowerBank Corporation (NASDAQ: SUUN) has secured a loan with an initial principal amount of up to USD 8 million (EUR 6.85m) ...

The 250MW/500MWh BESS project, once operational, is expected to contribute substantially to the state of Tamil Nadu's energy ecosystem and serve as a model for large ...

NTPC Green Energy Limited (NGEL) has announced a new tender for a specialized energy project in Chhattisgarh. The project involves setting up a 6 MW floating solar ...

Constructed by State Grid Xin Yuan Co., Ltd., this massive utility-scale project combines 100MW of wind power, 50MW of solar power and 20MW of energy storage. BYD's Iron-Phosphates ...

The 150 MW Andasol solar power station is a commercial parabolic trough solar thermal power plant, located in Spain. The Andasol plant uses tanks ...

Within less than six months of the 5 MWh model "update," leading energy storage companies such as GCL Group, CATL, BYD Energy Storage, SVOLT, REPT, Haichen ...

TENER achieves 6.25 MWh capacity in the standard 20-ft TEU container, representing a 30% increase in energy density per unit ...

Why 6MW Storage Projects Are Making Headlines A 6MW energy storage system humming quietly at an industrial park, saving enough electricity to power 1,200 homes for a full ...

Dubai Electricity and Water Authority (DEWA) has issued a tender seeking Independent Power Producer (IPP) advisory service for a ...
