What is a lithium ion cabinet?

A lithium-ion cabinet is a specialist storage solution designed to safely house lithium batteries. It offers fire-resistant construction, secure locking, and controlled ventilation to minimise the risk of fire, thermal runaway, or toxic gas release. What added value does a battery charging cabinet offer?

Why do you need a lithium-ion battery cabinet?

Improper storage of lithium-ion batteries can lead to fires and dangerous situations. That's why, at Fuel Tank Shop, we offer a comprehensive range of lithium-ion battery cabinets designed to safeguard your batteries and your workplace. Our cabinets are constructed with durable materials and innovative features to prioritise safety.
